Discuss- What do think is the author’s thesis? (the main idea- not necessarily “the” statement)?

In your view, is there bias present in this article? If so, whom does it favor? Give examples to support your reasoning. If not, also, defend your reasoning.

After you read the other documents, return to this page to discuss the following in an essay:

The Columbian Exchange enlarged the world by benefitting humanity through the exchange of goods native to each hemisphere.

Support, refute or modify this statement. Be sure to use evidence from the resources to support/strengthen your viewpoint.
