

## **C. UNIFORM GOALS, RATIONALE & RULES**

Wakefield Country Day School requires all students to wear specific clothing each day. The reasons for this requirement are many:

- Uniform dress expectations support the school's mission of character development and virtue by discouraging the superficial expression of "individuality" in lieu of positive and substantive development of each student's unique personality.
- Research indicates that students who attend schools which require uniforms demonstrate higher levels of achievement, fewer discipline referrals, and better attendance than students who attend schools which do not require uniforms.
- Students learn appropriate dress as they prepare to enter the world of work and the adult community.
- Students visibly progress to more mature styles of dress through the uniform requirements, symbolizing their growing responsibility and leadership.
- Students are not under pressure to compete with one another regarding their clothing, eliminating a major manifestation of differences.
- Students may focus on learning and achievement without the distractions of variations in clothing.
- Parents understand the school community's expectations of dress, and students see themselves as neat, well-dressed, and attractive.
- Parents may invest in a few items and are not subject to the demands of changing clothing styles.
- Students who attend the school are readily recognizable which reinforces school identity, a sense of community, school pride, and school security.

### **Uniform Requirements for Students in Grades 1 - 12**

1. All articles of the school uniform must be in a good state of repair and must be of a size to fit the wearer. Clothing must be free of gross wrinkles, food spots, dirt and grass stains, and fraying. Shoes shall be clean and with soles in a good state of repair.
2. All articles of clothing should be clearly labeled in permanent ink with the name of the owner.
3. Students should be dressed in their school uniform, properly tied, tucked, buttoned, etc. whenever they are on the school premises, unless they are in athletic attire for an after school activity. In particular it should be noted that blazers (or the optional sweaters for students in grades 1-8) must be worn at all times on Wednesday unless students are given express permission to remove them during class, at lunchtime, or at other times when it may be deemed appropriate. If students wish to change clothing to attend athletic activities after school, they are to follow the Non-Uniform Guidelines. Students attending school functions are to be dressed appropriately, following the Non-Uniform Guidelines.
4. No athletic clothing is to be worn during the school day unless given permission by the Head of School. Students are given time to change into athletic clothing before departing on school buses for games.

## 5. Jewelry

- a) Jewelry for girls must be modest: gold and silver with small pearls or gemstones. Girls in grades 1 - 3 may wear pierced earring studs only. One earring may be worn in each ear and worn in the ear lobe only. Girls in grades 4 - 12 may wear more than one earring with only one with a modest 1½ - 2" dangle. Girls in all grades may wear simple, unadorned headbands (i.e. no flowers, feathers, etc.). Scarves—on heads or around necks—are not allowed for girls in any grade.
6. Tattoos, temporary or permanent, are not acceptable (with the exception of WCDS temporary tattoos during Spirit Week).
7. Hair must be neatly groomed and able to keep out of eyes without hair accessories. Natural hair colors permitted.
8. Hats and caps shall not be worn in the school buildings or at formal school functions. Hats and caps are allowed, however, when they are part of a designated "spirit" activity. An exception is also granted during cold weather, when headgear designed to keep the head warm may be worn to and from school.
9. Hiking boots, canvas shoes, cowboy boots, or flip flops are not authorized for wear with the boys' or girls' school uniform at any time. Athletic shoes may be worn each day except Wednesdays. On Wednesday, leather, oxford-style shoes, loafers, or flats will be the only type of shoe authorized for wear with the school dress uniform. No sling back, open-toed shoes, open-heel shoes, or shoes with a heel/sole combination higher than 1½" are allowed. Shoes should be of a plain, dark color appropriate to the school dress uniform.
10. An unadorned, dress leather belt must be worn with all pants and skirts fitted with belt loops.
11. Sunglasses may not be worn during class in the school building.
12. T-shirts, undershirts, and/or bras with designs may not be visible beneath blouses or shirts.
13. No baggy, flared-leg, hip-hugger, bell-bottom, Levi-cut jeans, skin tight yoga pants, leggings, cargo pocket pants or cargo shorts are to be worn in place of dress slacks. Pockets on both boys' and girls' slacks/trousers must be slash pockets. Pants with patch pockets are NOT permitted. A slash pocket is entered through a slash on the outside of the garment and has a pouch attached inside the garment. A patch pocket is attached to the outside of the garment, like a shirt pocket.
14. Upon arriving at school, students must place all coats, jackets, sweatshirts, hoodies, nylon windbreakers, hats, scarves, gloves, etc. in their lockers. Aside from Wakefield-approved blazers, sweaters, and fleece vests with the school crest, no outerwear may be worn during class in the building with the exception of Varsity Letter Jackets which may be worn on Fridays or when weather dictates such use with the express permission of the Head of School.
15. All students wear the Dress Uniform on Wednesdays and on school field trips. The Head of School is the only person who can exempt students from wearing

the Dress Uniform. This exemption is sometimes granted when the weather is very warm or when other circumstances render the Dress Uniform inappropriate.

## **NON-UNIFORM GUIDELINES**

The spirit of the Non-Uniform code assumes that

1. Students will avoid extreme modes of dress and will appear at school in clothing that is clean and in a good state of repair.
2. All students will be prepared for academic study. The Non-Uniform Dress should not distract anyone from his or her task of learning.

### **The following guidelines are to be observed on these non-uniform school days as well as on school grounds outside the regular school day:**

1. Dress slacks or any slacks that are neat and of a modest cut, loose-fitting without being oversized (i.e. baggy, hem dragging on the floor) are permitted. No leggings or tightfitting yoga pants permitted unless the leggings are worn under skirts or dresses.
2. Blue jeans (free of rips, tears and holes, and not skin-tight) are permitted, with all the caveats stated above in the case of slacks.
3. Uniform approved shorts are permitted for all grade levels, when appropriate to the weather. Athletic shorts are permitted in grades 1-5 but only if they are not too short or too tight.
4. Skirts are to be of a modest cut and no more than 2" above the knee.
5. All pants, shorts, and skirts must be in good repair, hemmed, and without holes and tears.
6. No spiked heels, sling back, open-toed shoes, open-heel shoes like flip flops, or shoes with a heel/sole combination higher than 1½" are allowed.
7. Only the top button on a button-down shirt should be unbuttoned.
8. Spirit Day tee shirts and sweatshirts must be a WCDS graphic shirt.
9. No tank tops, no clothing with "spaghetti straps," no tight or revealing blouses or t-shirts and no yoga or tight-fitting pants are to be worn.
10. Partial school uniforms are not to be worn. When a student is wearing the school uniform, it must be complete, properly tied, tucked, buttoned, etc.
11. Field trip dress will depend on the activities inherent to the field trip. Non-Uniform attire as described above is acceptable for trips to locations which require more hands-on community service or to amusement parks like Kings Dominion. Periodically outdoor attire requiring waterproof boots or outerwear is accepted per the direction of the teacher planning the field trip. Students who find themselves unable to comply with these rules will be required to change their clothing or wear school-provided clothing.

**The following pages outline accepted uniform attire per each grade level.**
